

ADDENDUM #2

On August 19, 2016 the New Hampshire Department of Health and Human Services published a request for proposals, requesting proposals for Peer Recovery Support Services.

The Department is publishing this addendum to incorporate the following:

1. **Delete and replace Appendix A, Exceptions to Terms and Conditions, with Addendum #2, Appendix A.**

2. **In Section 5, Proposal Evaluation, 5.1. Technical Proposal add the following:**

5.1.8. Appendix F, Level of Readiness 150 Points

3. **Delete and replace Section 5.1. Technical Proposal points available with the following:**

Technical Proposal points available 750 Points

4. **Delete and replace Section 1.1. Purpose and Overview with the following:**

This Request for Proposals is published to solicit proposals from qualified Recovery Community Organizations (RCOs) to develop Peer Recovery Support Services (PRSS) that are accredited by the Council of Accreditation of Peer Recovery Support Services (CAPRSS) in order to significantly reduce alcohol and drug misuse and its social, behavioral and health consequences, statewide. Qualified Recovery Community Organizations (RCOs) must meet all of the criteria below:

- Have an established relationship with a certified public accountant;
- Have a board of directors and established bylaws; and
- Not currently receiving a grant to become accredited through a facilitating organization.

The Department is seeking vendors who have experience/skills/abilities:

- Ability to conduct a self-assessment.
- Ability to develop and achieve a work plan.
- Ability to establish a Recovery Center consistent with CAPRSS standards.
- Ability to implement back office functions including but not limited to financial management, billing, quality improvement and data collection.

- Ability and willingness to participate with other RCOs in the “PRSS Community of Practice.”
- Ability to enroll in Medicaid as a “Peer Recovery Program.”
- Ability to engage with Regional Public Health Network to develop a continuum of care.

In accordance with Senate Bill 533, approved on June 24, 2016, the selected vendor(s) must register with the Association of Recovery Community Organizations under Faces and Voices of Recovery (<http://www.facesandvoicesofrecovery.org/who/arco>) within 30 days of the contract effective date.

The Department anticipates awarding no more than one contract per Regional Public Health Network. Vendors wishing to develop accredited Peer Recovery Support Services in more than one region must submit a separate proposal for each region.
